

Memorandum

To: Unit Key3 Leaders of the Many Waters District
From: Pat Johnston, District Commissioner
Date: April 2, 2015
Subject: Annual Planning

A Guidepost for Journey to Excellence is for the Unit to prepare an Annual Plan with a corresponding Budget. The process is different depending on whether you are a Pack, a Troop or a Crew.

To help you start planning for preparation of your Annual Plan. I am providing links to the BSA pages that outline the process. Please review the page that apply to your unit and share it with others in your unit. There is a PowerPoint presentation available to each unit that can be shown to your committee, and for Troops and Crews, to the youth responsible for the planning.

Venturing Crews: <http://bsaseabase.org/home/venturing/programplanning.aspx>

“Strong units have a good annual program planned a year in advance and shared with every family in the form of a calendar.”

Thank you for all you do for Youth!
